☎ A construção desta casa brasonada remonta ao século XVI, mas o interior moderno não se adivinha pela fachada daquela que reclama ser a primeira "guesthouse de charme" da cidade. Restaurada ao pormenor, manteve a traça original do edifício, desde os tectos altos e pintados à maneira oitocentista aos soalhos de madeira. Todos os 12 quartos têm televisão, wi-fi e uma mistura de mobiliário vintage e moderno. O pequeno-almoço pode ser tomado na sala comum ou no pátio interior, onde não faltam cadeiras nem espreguiçadeiras.

☎ This building dates back to the 16th century, but you would never guess how modern it is on the inside when looking at the façade of what is the city's first "boutique guesthouse". Lovingly restored, the building's original features have been maintained, from the high ceilings painted in 18th-century style to the wooden floors. All 12 rooms have television, Wi-Fi and a combination of vintage and modern furniture. Breakfast can be eaten in the common dining room or in the interior courtyard, which has plenty of chairs and loungers.
